Webinar

INTRODUCTION

This public webinar is organised within the framework of the project [Fraud-Act - Combatting Fraud through a Holistic Approach and Data Collection](#). It will bring together key stakeholders to explore the **latest initiatives aimed at tackling education fraud** starting from the on-going experiences in the European Higher Education Area (EHEA), and the work of the newly established [Centre for Preventing and Countering Education Fraud](#). The webinar will present development and cooperation activities in the field, as well as the project's first findings on the current state of data collection and monitoring practices related to education fraud across the EHEA, drawing on the perspectives of Quality Assurance Agencies and representatives of the Bologna Follow-up Group (BFUG).

THE PROJECT

Fraud-Act - Combatting Fraud through a Holistic Approach and Data Collection has the objective of countering education fraud and promoting academic integrity in the EHEA therefore contributing improving the quality for higher education, in line with the Tirana Communiqué.

Project activities focus on four areas of intervention, in line with the [Recommendation CM/Rec\(2022\)18 on countering education fraud and explanatory memorandum](#): prevention, prosecution, international co-operation, and monitoring of the phenomenon, through a holistic approach based on international cooperation and innovation.
